SOFTWARE

Interactive Content and Tools for your Interactive Classroom

InterWrite™ Software Allows You To...

- Bring lessons to life by digitally adding notes, highlighting important information, and interacting with lesson materials - whether it is a current Microsoft PowerPoint® slide, Word document, Internet site or any computer application.
- Save, Print and Email all your lesson notes and files - A great tool for lesson review, students who are absent or parents who wish to review what their children are learning.
- Create exciting new lessons with the extensive content resources from the InterWrite™ Image Gallery and Background Pages.
- Download free lessons developed by teachers in our Educators Resource Center.
- Instantly gauge if your students are understanding key concepts with InterWrite™ PRS - our award-winning student response system that is now easily integrated into InterWrite™ Software.
- Easily stay up to date with all the latest interactive teaching tools and content with FREE InterWrite™ Software updates several times a year.
- Create a truly dynamic learning environment. When used with other InterWrite™ Interactive Classroom products, you engage the student with the lesson and quickly assess their knowledge - connecting with every child so no one is left behind.

InterWrite™ Interactive Classroom

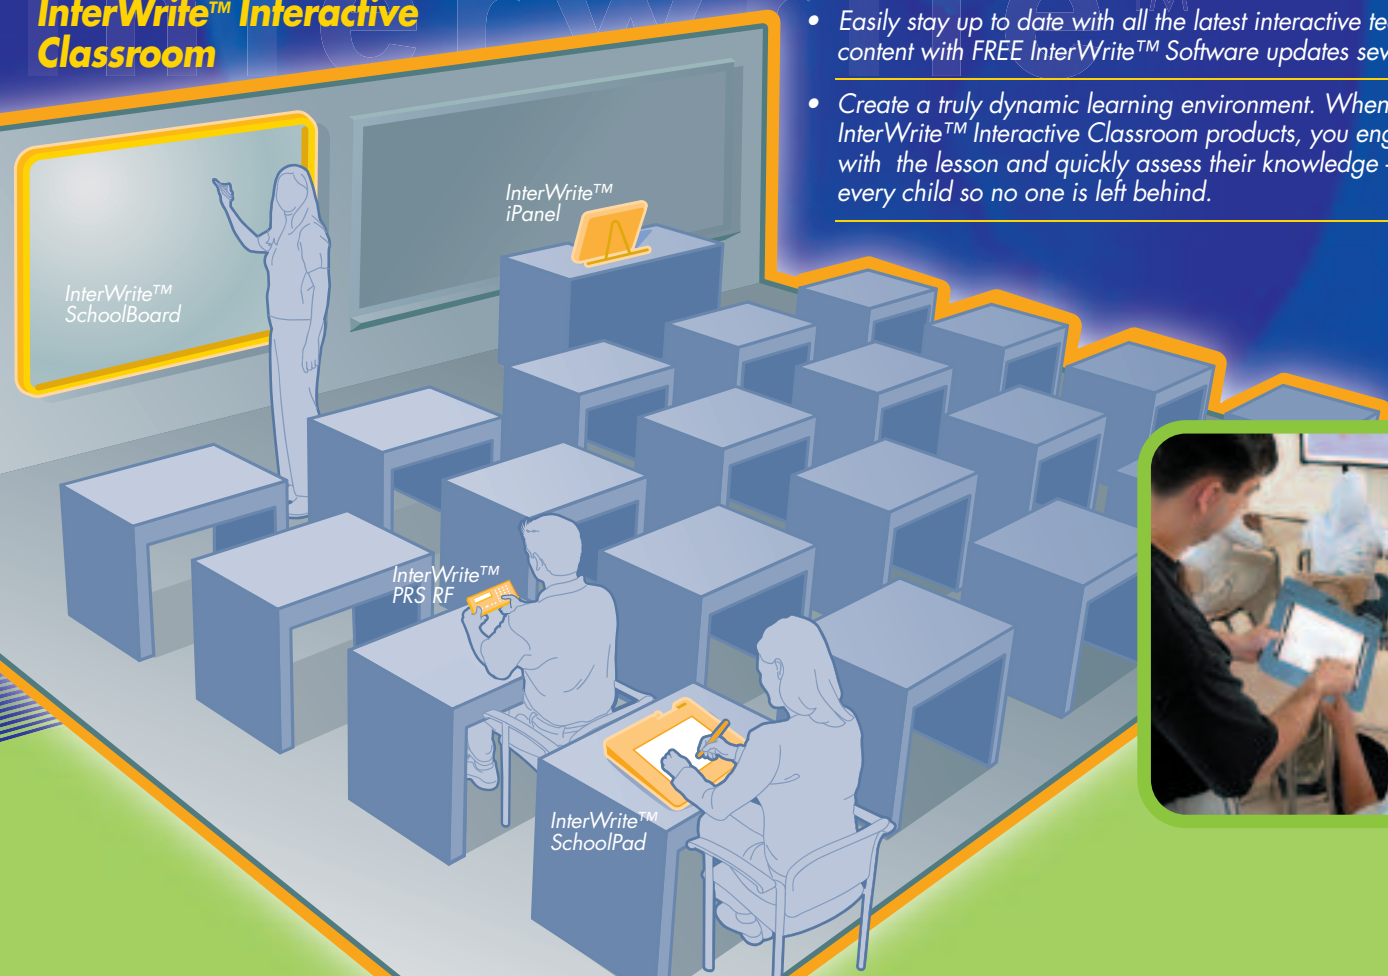

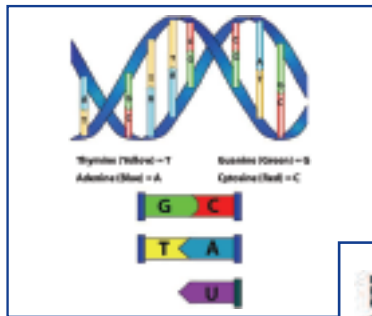

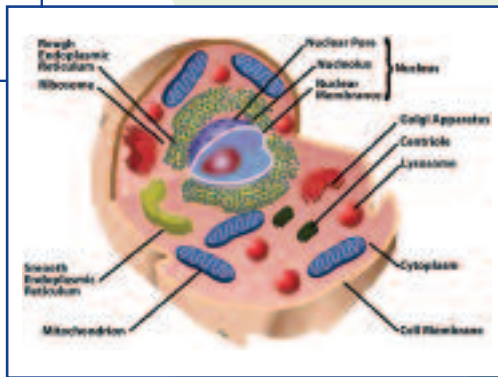

Image Gallery

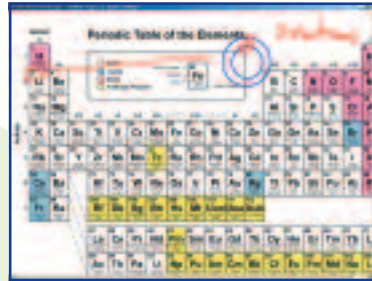

Choose from thousands of images in our InterWrite™ Software image gallery to create powerful and engaging lessons.

InterWrite™ Software provides content for many subject areas including math, science, geography, and much more.

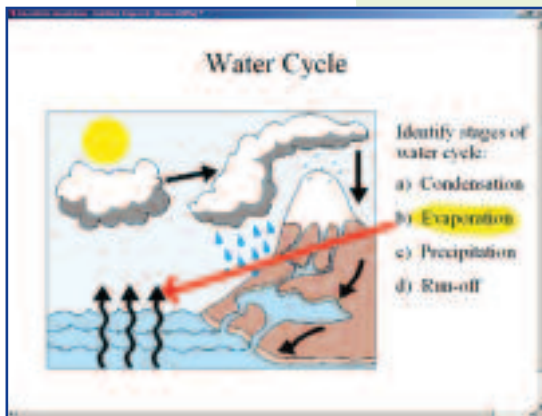

Background Templates

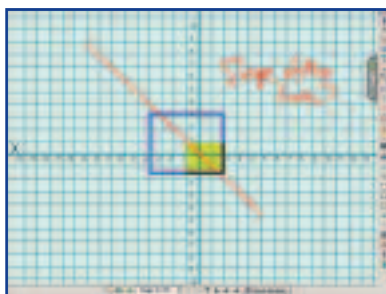

A variety of background templates allows teachers to quickly demonstrate a key point in a range of subject areas.

Annotation Tools

Add flair to your lesson with our impressive pens, highlighters, stamps and other tools.

Other Interactive Tools

- Focus Tools such as Spotlight, Reveal Curtain, and Magnify
- Handwriting Recognition
- Office Mode
- Record and Playback feature for creating multi-media content
- Integration with Powerful Student Assessment Tool - **InterWrite™ PRS**
- And many more exciting resources!

Download free **InterWrite™** lessons and activities, receive free training and more at the **InterWrite™**
